

EXPECTATIONS

Come

to class with clean hands. **O**perate the equipment properly. **M**ake sure you listen to directions. **P**ush your chair in when you are done. **U**se your inside voice. **T**ouch the keyboard lightly. Enter and Exit quietly. **R**emember to take your printouts. **L**earn something new each time you come to the lab. **A**lways work toward *your* best, not your neighbors' best. **B**e careful handling equipment.
